Maximilian Mantegazza

Maximilian provides legal advice to principals and contractors on all matters concerning private construction law and the law of architects and engineers. This includes the extrajudicial representation of clients as well as the representation in legal proceedings. Furthermore, he conducts research on asset tokenization and possible applications of blockchain-technology.

Curriculum vitae

- Studied law at the University of Passau, 2014 to 2020
- Law clerkship in the Higher Regional Court district of Düsseldorf, including seats concerning urban development, construction law and building insurance, 2021 to 2023
- Research assistant at Kapellmann, 2024
- Ongoing PhD on the law of tokenization and blockchain
- Lawyer at Kapellmann since 2025
