Dr Thorsten Schlier, LL.M.

Specialist lawyer for construction and architects' law

Thorsten advises principals and contractors on all issues relating to private construction and real estate law, as well as contracting drafting, claim and anti-claim management and litigious disputes before the courts. Further key practice areas include advising on plant engineering issues, architects' law, real estate law and the law of project management.

What others say

„One of the most frequently recommended lawyers for construction law“

Handelsblatt/Best Lawyers® 'Germany's Best Lawyers 2025'

Recent work
